### FINANCE AND TRADE.

MONEY coolinges to be easier than for a long time, with only moderate applieations for loans. The comparative plenty of money favors the expectation that there will be an increased demand for goods, and better trade. Exchange still rolls in upon the banks, and money is imported in large amounts to move it. The rates are strong at 1 discount on New York, New Orleans 1 discount; New York at 1151, advanced to 1151, then to 1151, and at noon had falled to 1151; brokers here offered 114@1141. The Cincinnati Enquirer reports eastern exchange heavy there, with liberal recel to and rates declined 1:20 per ceut. hoving. A heavy market of some weeks duration is looked for. Money loans at direct over the series of the world of the Union Pacific railroad for the month period of Wednesday reported:

Wednesday reported:

The St. Louis Globe-period in many months. The demand has been principally for good low grades from \$4.25655.50 and these have further month last year. The with the same month last year. The political of the main volume of more neutral political of the month with the same month last year. The political of the main volume of more neutral political of the month of the control of the control of the control of the control of the month of the control is transactions by their customers. The current rate of 10 per cent, is firmly less that one-seventh comprised grades of obtaining regular statements of the maintained at the banks." In local set from \$5.75(6.7 to The demand was for earnings from those corporations whose curities there was nothing doing, the rop in quotations.

Opened and closed quiet; +ales, 8700 The movement at all the ports was 1eported as follows:

472,926

Liverpool arrivals were weaker. The following is the comparative cotweek last year: Net receipts,

ton statement for the week ending November 5 h, at all United States ports, as compared with the corresponding 174 000 bules; last year, 143,000; receipts for the season, 913 000; last year, 796,000; week's exports, 71 000; sast year, 66 000; stock hand and on shipboard not yet clear = 1, 488,000; inst year, 453,000; stock a interior towns, 69 000; last year, 66,con; stock at Liverpool, 596,000; last year 588,000; stock of American affect for Great Britain, 93,000; last year, 144,-Gold opened in New York st 115%, fell

to 115t and closed at 115t the New York Bulletin of Tuesday have that pletty of cotion was offering, and prices were easy, and adds: "On contracts there has been a fair but by no means act ve business and an irregular market. The opening was steady and in some cases an advance of 1-82(61-190 took place, which was afterward lost to ne followed by another show of strength, and finally the turn once more in buyers favor, with the close clack, There did not appear to be much 'point' to the market at the best, and as near as we could discove the 'bears' were cerful of short sales at ruling rates, while the 'bulls' were intimidated by the comparatively full run of receipts, and the stacks in sight both on the sea- | ceipts. poard and at interior towns." The same paper says that the October "corner" in cotton provid the most successful one of any for years past. Actual and regular buying and reliting, in the mean time, were similed to imperative wants | 675: for spinners. The speculators did not find arrivals from the south stall dently ratio's, and they imported from Boston, Philadelphia, and Baltimore. It appears probable, however, that but fit's money was liveta se to apeculative operators who did not wen! the cotton, and could only sell it at a decline, was considered an offset to the advance in rates. An extension of operations into the present month of operations into the present month and another corner for November were among the probabilities hinted at, a fore appear to be taking a sort of breeth-log spell after the recent severe straggle.

A great many operators commence to

2 per cent. Prime mercantile paper, 66

31 15631 29. Coffee—ordinary to prime, illough at the present writing all operthink that cotton may possibly have reached a good fair selling value. This is based on the belief that a market can now be found for all goods, and that the belief that a market can now be found for all goods, and that the company of the way.

Liverpool Poel says: "The new Texas made flat. Government bonds were cotton classes much better than the old, firm, with small dealings; coupons of and quotations average a sixteer th 1881, 1222; 1864, 1142, 1865, 1164; bigher. FOR ARKANSAS RIVER.—The Ella Hughes, Captain Nowland, master, cuts loose for all points on Arkanses river, including Red Fork, Auburn, New Gascony, Pine Bluff, and all points through to Little Rock, carrying the

mail. FOR MOUTH OF WHITE RIVER.-The Quickstep, Captain Stack Lee, master, eaves at the usual hour this evening for the lower bends, including Helena, Delta, Friars Point, Old Town, Australia, Laconia, Carson's, Concord a, Grady's, Mouth of White river, and all planta tion landings, carrying the United States mail.

Levee Paragraphs. The Quickstep had 93 bales cotton, 24 bags seed-cotton, and 561 sacks cotton-

Captain Joe Phelps, a well known steamboat captain, died at New Orleans Wednesday. Alf Grissom, of the Mary Bell, was in the city yesterday, ca route to Helena to

join his boat. The City of Chester was the only Anchor-liner in port yesterday. She departed for St. Louis. Messrs. Stevens & Ware recently purchased the Naomi, at marshal's sale, for

nine hundred collars. The Susie Silver passed down from Si Louis, bound for New O leans. She put off here 75 barrels of pickles and a lot of sundries. The high prices offered to cotton-

pickers is the prime cause of the scarcity of rousters, and is giving steamboats much trouble. The A. J. White came in last evening with 147 bales cotton, 24 bags seed-cot-ton, 1037 sacks cotton-seed, and 16 pack-

ages sundries. The George W. Cheek had 98 bales cotton, 27 bags seed-cotton, 528 sacks cotton-seed. She departed last evening for Helena with a good trip. He works like an old hand at the wheel. The Belle of Texas, from Ashport, had 277 bales cotton, 79 bags seed-cotton, 1427 sacks cotton-seed. She departed

trip. Captain H. U. Hart purchased the H. S. Turner, at Cincinnati, Wednesday, for twelve thousand dollars. She will be placed in the Cincinnati and New Orleans trade.

Captain Durff, of the river department of the Evening Ledger, we regret to Lard closed heavy; new prime learn, is stilled confined to his bed with steam, 13 c. Cheese quiet at 6@12 c. an attack of the prevailing maladychills and fever. The Ella Hughes came in yesterday from Arkansas river with 424 oales cot-

ton, 749 sacks cetton-seed, and reshipped

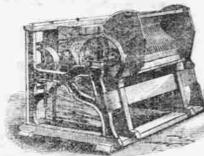

at the mouth of White river 89 bales cotton for New Orleans. An advertisement appears in another Coru-demand moderate | no higher than Helena this trip.

ing matter, peculiar to the genius of its author. Mansford, at the corner of Monroe and Second streets, has it. It is almost impossible to get men to work at loading and unleading boats at the landing on account of its fearful condition. The Ella Hughes had to discharge at the elevator yesterday, and we learn that several other boats wil the same hereafter.

Captain Milt Harry came across the country by rail yesterday, the St. Frauets Belle continuing her voyage round the usual way, and will arrive here to night. She passed Devalls Bluff with over three hundred bales of cotton and five hundred sacks of seed. It is stated in the Ledger that

an injunction was obtained before Judge Morgan, yesterday morning, by Captuin George W. Cheek, of the Vicksburg line; Captain Milt Harry, White line; William Elliott, Arisaneas river line; and Captain Lee, Friam Point line, restraining Wharfmaster Shaw from collecting wharfage, on the ground that the meney is not applied he improvement of the wharf. A Pittsburg dispatch yesterday give the following account of a serious acc ient to the Tigress No. 2: "Early this morning the steamer Tigress No. when near Osborn station, on the Alle

gheny river, near this city, exploded a boiler, detaching a top sheet and sending it entirely through the cabin-floor and roof in front of the pilot-house. The crew consisted of ten men, four of them firemen, three of whom were badly ealded. The boat took fire, but the flames were soon extinguished by the
